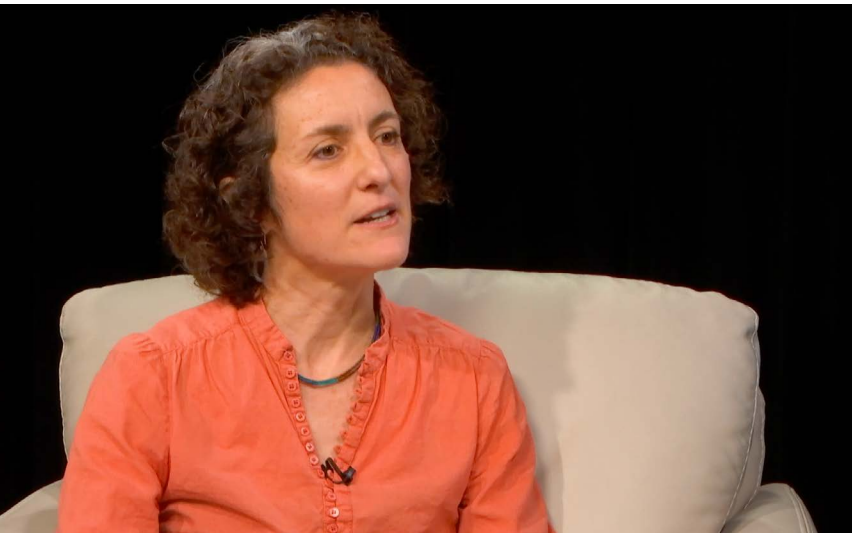
Our free online training module series

MATERNAL, CHILD AND ADOLESCENT HEALTH

Life Course Perspective, Practice, and Leadership

UC Berkeley's School of Public Health and its **Center of Excellence in Maternal, Child, and Adolescent Health** offer **a self-directed, open-source training module series** on the **life course perspective and leadership**.



The 5-module series features **video interviews, course readings, case studies** of organizations in practice, and more!

All levels of learners are invited to take part in this resource including community members, students, clinicians, public health practitioners, and beyond.
