module series

MATERNAL, CHILD AND  
ADOLESCENT HEALTH

# Life Course Perspective, Practice, and Leadership

**UC Berkeley's School of Public Health and its Center of Excellence in Maternal, Child, and Adolescent Health offer a self-directed, open-source training module series on the life course perspective and leadership.**

The 5-module series features **video interviews, course readings, case studies** of organizations in practice, and more!

**All levels of learners are invited to take part in this resource** including community members, students, clinicians, public health practitioners, and beyond.

**Center of Excellence  
in Maternal, Child and  
Adolescent Health**

UNIVERSITY OF CALIFORNIA, BERKELEY
